Clean & Safe Services

Metropolitan Improvement District

Founded in 1999 by the Downtown Seattle Association, the Metropolitan Improvement District has helped to ensure a welcoming, clean and safe urban core. MID property owners fund and support a range of services in downtown. Each day, nearly 100 ambassadors provide sidewalk cleaning, human service outreach, hospitality and safety assistance throughout the 285 block service area. The MID includes six downtown neighborhoods: Belltown, Denny Triangle, Pioneer Square, Retail Core, Waterfront and West Edge.
