Questions?

Type them into the chat box or state that you have a question and we will address them or call on you to speak intermittently throughout the presentation and at the end.

CURRENT SITUATION

PUBLIC HEALTH

On May 4, Gov. Inslee announced his 4-phase reopening plan. On May 29, Gov. Jay Inslee released an updated, county-by-county based “[Safe Start](#)” plan. King County is currently in Phase 2 of the “Safe Start” plan.

A successful **Safe Start** means we all have to do our part.

It's safest to stay home.

BUT IF YOU HEAD OUT:

Wear a mask.

Stay six feet apart.

Wash your hands.

Prevent the spread by staying local.

* High-risk populations are currently defined by CDC as: persons 65 years of age and older; people of all ages with underlying medical conditions (particularly not well controlled) including people with chronic lung disease or moderate to severe asthma, people who have serious heart conditions, people who are immunocompromised, people with severe obesity, people with diabetes, people with chronic kidney disease undergoing dialysis, and people with liver disease; people who live in a nursing home or long-term care facility.

EIDL UPDATE

- [On June 15 the SBA reopened the EIDL application for new applications.](#)
- The 3.75 percent, potentially 30-year EIDL loans are deferrable for a year.
- Can be used for debts, payroll, accounts payable and other bills that can't be paid because of the disaster's impact, and that are not already covered by a PPP loan
- Applicants also can request an advance of \$1,000 per employee up to a combined \$10,000. This advance will not have to be repaid, and small businesses may receive an advance even if they are not approved for a loan.

U.S. Small Business
Administration

PPP UPDATE

- The [PPP Flexibility Act](#) extends this 8-week “forgiveness period” to 24 weeks, but no later than December 31, 2020.
- PPP borrower funds utilization expectation for payroll costs is reduced to 60% of funding from 75%
- New feature that provides loan forgiveness- will not be impacted if the FTE reduction was due to being unable to re-hire employees (or hire similarly qualified employees) or return to pre-COVID-19 business activity.
- Extends deferment of payments of loan principle, interest and fees, from the current six months, to the date when the SBA pays the forgiveness amount to your lender.

U.S. Small Business
Administration

Guest occupancy must be 50% of maximum building occupancy or lower as determined by the fire code (For phase 1.5, occupancy can be no more than 25%)

Must have implemented a plan to ensure proper physical distancing in lobby/waiting areas/payment counters

Buffets and salads bars are not permitted at this time

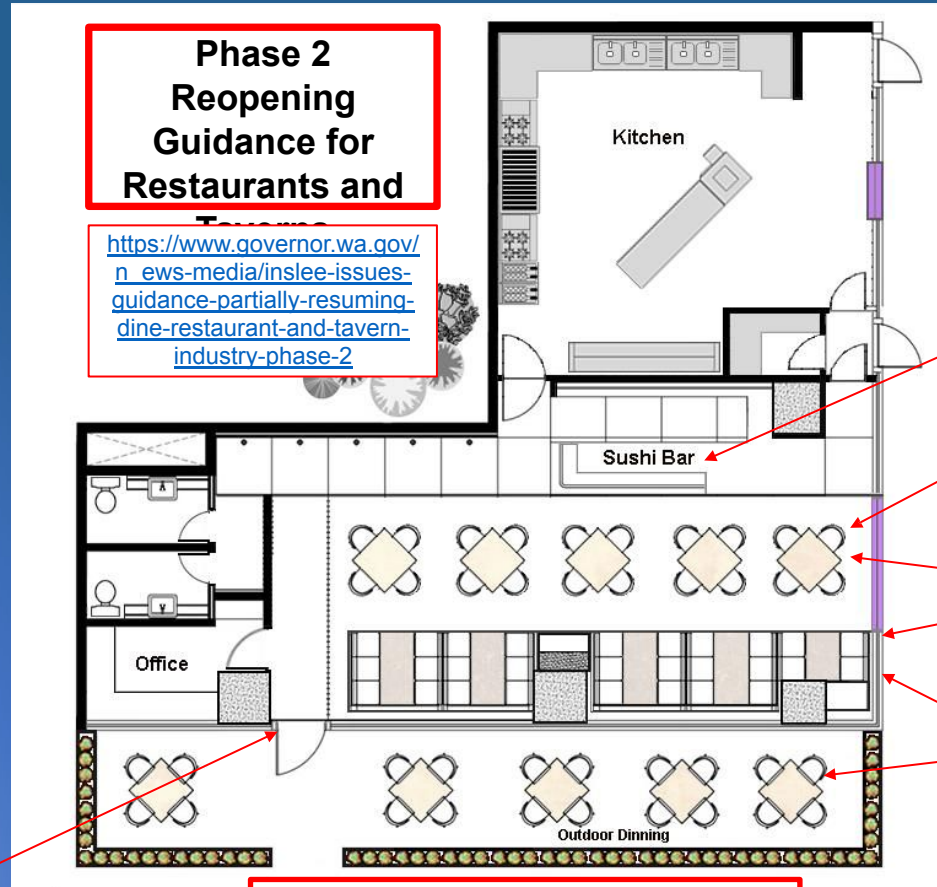

Minimize the number of staff serving any given table.

If establishment offers table service, a daily log of all customers including phone/email and time in and maintain log for 30 days

Hand sanitizer should be available at entry for all staff and patrons (assuming supply availability)

Phase 2 Reopening Guidance for Restaurants and Taverns

<https://www.governor.wa.gov/news-media/inslee-issues-guidance-partially-resuming-dine-restaurant-and-tavern-industry-phase-2>

Strongly suggested for customers to wear cloth face covering anytime not seated at the table

Single use/disposable menus are required for in-person dining. Menu boards are also acceptable.

No bar seating is permitted during phase 2

Any condiments on table must be single use or sanitized after each use

All parties and tables must be 5 guests or less

Dine-in guests seated at a table must be a minimum of 6ft away from guests at adjacent table or there must be a physical barrier or wall separating booths or tables

Outdoor seating is permitted and does not count toward the building occupancy limit but it must be at 50% capacity
