Work Samples

Attach at least two (2) samples of previous projects. At least one work sample must be a mural project. The other work sample can be a different scale or a different medium. It is preferable if both work samples are mural projects, but only one mural sample is required. You may submit up to three work samples total. Please include a brief description of each sample. You may submit a more detailed image of each sample. You may also submit a website link with additional work.

- File format: JPEG only
- File dimensions: No larger than 1080 pixels on the longest side (15 inches x 15 inches/72ppi)
- File resolution: 72ppi (standard web resolution)
- Name your files: lastname_01, lastname_02
- Name your details: lastname_01_detail, lastname_02_detail

Website link (optional): _____

Concept drawing

Please attach at least (1) one conceptual drawing of what you would propose for the mural design. You can submit up to (3) conceptual drawings, if you would like. Once an artist is selected for the project, the artist will work on a full mural design.
