

WELCOME TO BACK

RESOURCES FOR RETURNING EMPLOYEES

STAY INFORMED

From First Thursday Art Walk to live music, there's plenty to do in Pioneer Square.

- » Join our Newsletter list to receive the latest news from around the Pioneer Square neighborhood. Sign up at bit.ly/PSQnews.
- » Follow us on at @pioneersquare on Facebook and Instagram
- » Looking for something to do? Browse our calendar of events for more entertainment and events in the neighborhood: pioneersquare.org/calendar.

MARKETPLACE

Looking for a lunch spot or a happy hour hang? We've got ideas for you.

- » Featuring photography of iconic galleries, the Pioneer Square Neighborhood Map and Guide covers everything you'll need to know about the neighborhood: bit.ly/PSQBiz.
- » On the Pioneer Square business listing map, you'll find the full array of retail shops, restaurants/bars/cafes, art galleries, and more in the neighborhood: pioneersquare.org/map.
- » Neighborhood Marketplace Our online marketplace hosts items from local businesses from alpaca sweaters to custom jewelry along with takeout and delivery details from restaurants. Find your next local treasure here: bit.ly/SupportPSQ

DISCOUNTS AND SPECIALS

Your neighborhood business want to welcome you back with exclusive discounts and specials.

- » You can find a full list of neighborhood discounts and specials from Pioneer Square businesses on our website: bit.ly/PSQ101

GETTING HERE

Commuting by bus, bike, or rail? We've got your trip covered.

- » For an overview of all transportation options, view our Getting Here page: pioneersquare.org/getting-here.
- » You can get to Pioneer Square by car, public transit and alternative modes of transportation such as rideshare, and bike/scooter share services.

CARE FOR THE SQUARE

See graffiti, a pothole, or illegal dumping?

- » The Find It, Fix It app allows users to report selected issues to the City of Seattle. Report an issue you observe in the neighborhood via the Find It, Fix It app. Users simply submit a photo with detailed information and using the map's "drag and drop" feature to pinpoint the location. Find the app here: bit.ly/FixItPSQ.
