| <input type="checkbox"/> Traffic Control                   | <input type="checkbox"/> Other: _____                    |

### Description of Activity and Impact Mitigation Measures

We will be filming in Occidental Mall, Occidental Square and Pioneer Square Park. We will allow pedestrians to cross the area when it doesn't interfere with a shot. If needed, our production assistants will hold passerbys briefly until the shot is over or direct them on a detour behind the camera line so that they can cross without being in the shot. We will also obtain "Filming In Progress" a-frames to make passerbys aware of our activity.

We will be reserving 16 parking spots in the Occidental Mall/Square area and 14 parking spots in the Pioneer Square Park area for working production vehicles (minivans, cargos, SUVs, passenger vans and (2) cube trucks) and to "clear for picture"

We will be placing set dressing and camera equipment on sidewalks and private property. We always aim to be good neighbors during our time in your area so please let us know if there is anything we can do to accommodate special needs during our filming.

### Production Company Contact Information

Anthony Leonette – Production Manager
